

'tis the season for a scavenger hunt!

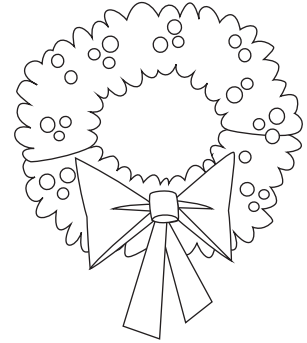

It's that special time of year! Jingle bells are rockin', snowmen are comin' to life and you might even see some candy canes and silver lanes aglow! While they're getting swept up in the magical season, see if they can spot the eight items on our seasonal Scavenger Hunt sheet. Don't forget to have them color in all the items they find for a little winter wonderland before they unwrap all those presents!
